Plett Marine Science Symposium

Join us at the Beacon Isle hotel on July 2nd, 2023, for an enlightening day of ocean exploration at the Plett Ocean Festival Marine Science Symposium. Don't miss out on two captivating talks by our researcher Melissa Nel, who will discuss Shark Seasonality in Plettenberg Bay, and our research associate Dr. Chantel Elton, who will shed light on Stingrays in the Garden Route. Expand your knowledge of these fascinating creatures and their presence in the region. Secure your spot by purchasing tickets online at [\[https://www.plett-tourism.co.za/plett-ocean-festival-marine-science-symposium/\]](https://www.plett-tourism.co.za/plett-ocean-festival-marine-science-symposium/) for only R100.

Don't miss out!
